FRESH FRUITS FROM

# Turkey's Largest Orchard

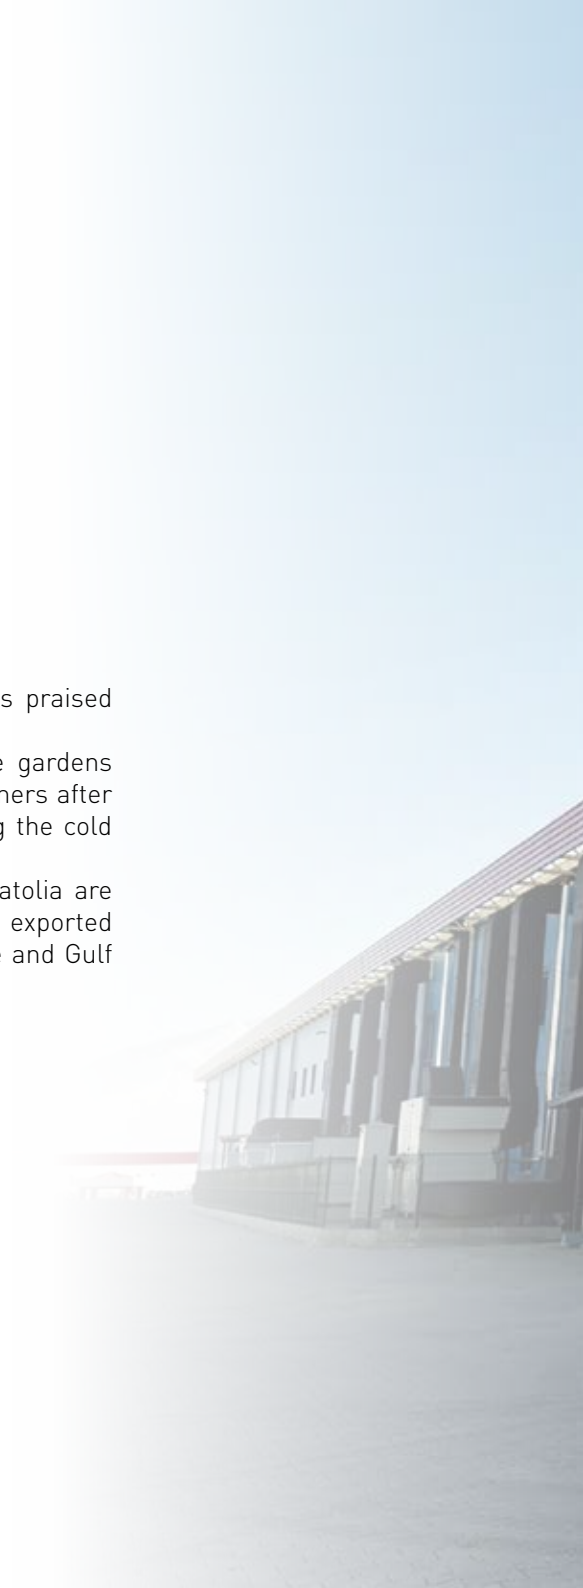

[www.ecosev.com](http://www.ecosev.com)

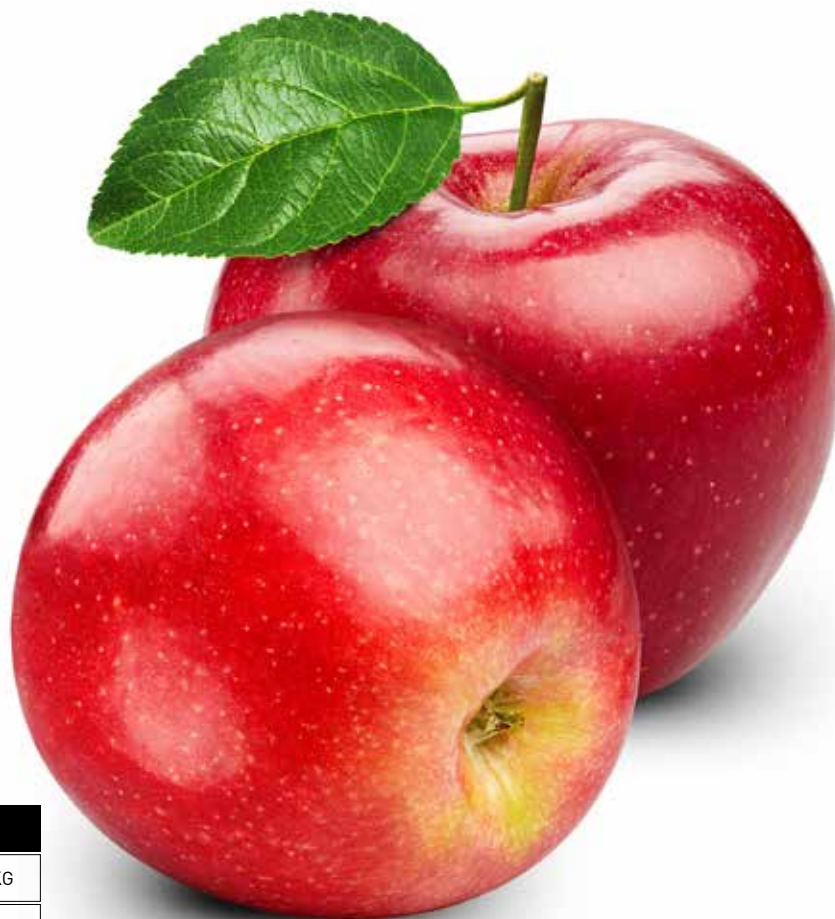

Our company Ecosev Organik agricultural Co. is praised with its international commercial activities.

Our fruits, which are carefully picked from the gardens according to the season, are delivered to the customers after they are sorted in size and quality without breaking the cold chain.

Fruits collected from 17 different regions of Anatolia are packaged in the facilities .Fruits are successfully exported to the the united States of America, Russia, Europe and Gulf countries
